The start date of the mobility period shall be the first day that the participant needs to be present at the receiving organisation. - 3.1 The individual support from Erasmus+ EU funds for the mobility period is **2400EUR**, corresponding to **EUR 800** per month and **27EUR** per extra days. The final amount of Erasmus+ EU funds for the mobility period shall be determined by multiplying the number of months of the mobility covered by Erasmus+ EU funds specified in article 2.4 with the rate applicable per month for the receiving country concerned. In the case of incomplete months, the financial support from Erasmus+ EU funds is calculated by multiplying the number of days in the incomplete month with 1/30 of the unit cost per month. The financial support other than Erasmus+ EU funds for the mobility period is EUR 0.
- 3.2 In addition, the participant shall receive **1100EUR** as a contribution for travel.
- 3.3 The reimbursement of costs incurred in connection with special needs, when applicable, shall be based on the supporting documents provided by the participant.

- 3.6 The financial support or part thereof shall be repaid if the participant does not carry out the mobility activity in compliance with the terms of the agreement. If the participant terminates the agreement before it ends, he/she shall have to refund the amount of the grant already paid, except if agreed differently with the institution. However, when the participant has been prevented from completing his/her mobility activities as described in Annex I due to force majeure, he/she shall be entitled to receive the amount of the grant corresponding to the actual duration of the mobility period as defined in article 2.3. Any remaining funds shall have to be refunded, except if agreed differently with the institution. Such cases shall be reported by the institution and accepted by the National Agency.

## Annex II

### GENERAL CONDITIONS

#### Article 1: Liability

Each party of this agreement shall exonerate the other from any civil liability for damages suffered by him or his staff as a result of performance of this agreement, provided such damages are not the result of serious and deliberate misconduct on the part of the other party or his staff.

The National Agency of the Czech Republic, the European Commission or their staff shall not be held liable in the event of a claim under the agreement relating to any damage caused during the execution of the mobility period. Consequently, the National Agency of the Czech Republic or the European Commission shall not entertain any request for indemnity of reimbursement accompanying such claim.

#### Article 2: Termination of the agreement

In the event of failure by the participant to perform any of the obligations arising from the agreement, and regardless of the consequences provided for under the applicable law, the institution is legally entitled to terminate or cancel the agreement without any further legal formality where no action is taken by the participant within one month of receiving notification by registered letter.

If the participant terminates the agreement before its agreement ends or if he/she fails to follow the agreement in accordance with the rules, he/she shall have to refund the amount of the grant already paid, except if agreed differently with the institution.

In case of termination by the participant due to "force majeure", i.e. an unforeseeable exceptional situation or event beyond the participant's control and not attributable to error or

negligence on his/her part, the participant shall be entitled to receive at least the amount of the grant corresponding to the actual duration of the mobility period. Any remaining funds shall have to be refunded, except if agreed differently with the institution.

#### Article 3: Data Protection

All personal data contained in the agreement shall be processed in accordance with Regulation (EC) No 45/2001 and Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of individuals with regard to the processing of personal data by the EU institutions and bodies and on the free movement of such data. Such data shall be processed solely in connection with the implementation and follow-up of the agreement by the institution, the National Agency and the European Commission, without prejudice to the possibility of passing the data to the bodies responsible for inspection and audit in accordance with EU legislation (Court of Auditors or European Antifraud Office (OLAF)).

The participant may, on written request, gain access to his personal data and correct any information that is inaccurate or incomplete. He/she should address any questions regarding the processing of his/her personal data to the institution and/or the National Agency. The participant may lodge a complaint against the processing of his personal data with the Office for Personal Data Protection with regard to the use of these data by the institution, the National Agency, or to the European Data Protection Supervisor with regard to the use of the data by the European Commission.

#### Article 4: Checks and Audits

The parties of the agreement undertake to provide any detailed information requested by the European Commission, the National Agency of the Czech Republic or by any other outside body authorised by the European Commission or the National Agency of the Czech Republic to check that the mobility period and the provisions of the agreement are being properly implemented.
